SELLY PARK SECONDARY SCHOOL

FINANCIAL POLICY FOR 2020

Please take note of the following guidelines concerning school fees for 2020.

1. All school fees are payable in **advance** and must be paid by the **5th of the month** eg. March school fees are **due on or before 5th March**.
2. Fees may be paid in one of the following ways:
 - (i) By stop order (bank details available at the school).
 - (ii) Internet banking.
 - (iii) By direct deposit into the School Bank Account (this is to avoid large amounts of cash being handled at the school).

We find it necessary to insist on one of the above methods of payments for security reasons. Please indicate your preferred method of payment by ticking the relevant box on the attached form.

3. The school fees for 2020 are payable monthly for 11 months - January to November.

Grade 8	Grade 9	Grade 10	Grade 11	Grade 12
R5400.00	R5400.00	R5400.00	R5400.00	R5400.00

A reduction in school fees will be given to those parents who pay annually in advance.

4. Failure to comply with the above will unfortunately result in your child losing his/her place at Selly Park Secondary School.
5. **The first day of school will be devoted to registration. All the January fees must be paid before this day. Teachers will check that all pupils have receipt of money received, the correct stationery, uniforms and books for the year. Pupils who do not fully comply to this will not be admitted into the school for the current year.**

The above policy is being implemented to ensure the smooth running of our school. It is your responsibility to ensure your fees are paid timeously and we would appreciate your full co-operation.

We, (Father) _____ and

(Mother) _____, the undersigned, declare that we are

responsible for the payment of all tuition fees, book fees and any other fees due for this pupil and consent to all the below terms and conditions.

All fees including school fees, book fees and any other fees are payable on/before the first school day of each year, although the school fees may be paid in monthly instalments, if the necessary arrangement has been made with the school. Should any monthly instalment not be paid by the due date, the full outstanding years school fees shall immediately be due and payable.

We agree to pay the school fees, which are revised annually, as outlined below and as laid down by the Board of Governors. All monthly payments shall be made in advance by 5th of each month.

	Grade 8	Grade 9	Grade 10	Grade 11	Grade 12
School fees:	R5400.00	R5400.00	R5400.00	R5400.00	R5400.00

We consent that the school may, according to its exclusive discretion, gather and or supply any personal information, where and if necessary, from or to any credit bureau.

We are aware that failure to meet our financial obligations will result in my child forfeiting his/her place at Selly Park Secondary School with immediate effect and should the full outstanding year’s school fees become due and payable and we do accept full responsibility to pay all legal fees and disbursements incurred on an Attorney & Client scale, if the school needs to institute any legal action against me.

We choose the residential and e-mail address as *domicilium citandi et executandi*, and hereby agree to the delivery of any and all notices and documents to said addresses.

We undertake to notify the School in advance of change of address or when the child is leaving the School.

The School may elect to refer an outstanding School fee account for Arbitration, in the alternative to make use of the traditional court procedures. We, (the parents) therefore agree and give consent that any dispute, difference in opinion or claim based on a liquid document or for a liquidated amount in money, and which stems from this agreement, be resolved through the process of arbitration and submitted to the “South African Chamber of Arbitration” for arbitration. We understand that an arbiter will be appointed to resolve the dispute, difference in opinion or claim and that rules of the South African Chamber of Arbitration will apply. We (the parents) take note that the rules are available for inspection on the website of the Chamber namely www.arbitrationsa.co.za . We (the parents) acknowledge that any judgment/order passed by the South African Chamber of Arbitration is final and binding on all parties and that no party has the right to appeal against the judgment and that the judgment/order is enforceable by any court with jurisdiction.

The provisions of this Arbitration clause are severable from the rest of this agreement and shall remain in effect even if this Agreement is terminated for any reason.

None of the above will prevent the School to rather institute legal action in any South African Court with jurisdiction.
